## **BOARD PRESIDENT'S COMMENTS AND REPORTS**

Board President L. Rabinowitz expressed his gratitude to everyone for attending and emphasized that the Board is prohibited from engaging with the public during the meeting. He acknowledged the concerns of many attendees regarding employee separation, clarifying that such separations are based on the organization's needs and are not necessarily reflective of an individual's performance. Stressing the importance of respect and privacy, he reminded everyone that it would be unlawful for the Board to comment on any employee matter.

L. Rabinowitz also expressed his appreciation for Ms. Grace Lee-Chang's leadership and her efforts in building a strong team that has continued to provide services to our schools during the CEO transition. He discussed the process for selecting the new CEO, expressed excitement about Mr. Melgares taking on the role on July 1, and informed the community about Mr. Melgares's CEO welcome letter, which was made available to the public.

Mr. Rabinowitz took a few minutes to acknowledge D-Day, June 6, 1944, which marked a pivotal moment in World War II when Allied forces launched the largest amphibious invasion in history on the beaches of Normandy, France. This operation was crucial in turning the tide against Nazi Germany, leading to the liberation of Western Europe and ultimately contributing to the Allied victory in the war.
